Dear «Gf_CnAdrSal_Salutation»:

I'd like to put you beside 9-year-old Caitlin on the day her wish came true.

This is the day Make-A-Wish® volunteers unveil her wish – a pink playhouse. It's her quiet place – her escape – her favorite place to read.

It's been a busy day, full of excitement and happiness. Now it's quiet, just the way Caitlin likes it. Her playhouse reminds her of the library she loves at school, but it's all her own.

The playhouse isn't all that's different in her life today. Chemotherapy? Done. Over. Her hair is growing back. Caitlin calls her struggle with a Wilm's tumor "a bump in her life."

For her parents, it was much more. A nightmare, a year of heartbreak. They were by Caitlin's side as she lost a kidney, her hair ... and part of her childhood. But today they see her courage and resilience. They watch Caitlin reclaim her childhood ... and once again become a normal 9-year-old girl.

You are part of this important, life-affirming change in Caitlin's life.

Your gift of «Gf_Amount» received on «Gf_Date» helps wish kids like Caitlin emerge from the worry and doubt of their medical conditions. The Make-A-Wish Foundation® of «Donor_Intent» offers you its deepest thanks for helping us to change the lives of children with life-threatening medical conditions. You make it possible us for to help them become stronger – more energetic – more willing to overcome their medical struggles.

Through your generosity, the Make-A-Wish Foundation granted the wishes of more than 13,500 courageous kids like Caitlin last year. We thank you for all you do to *share the power of a wish*®.

Best wishes,

Elizabeth LaBorde
Vice President of Development
